Schedule E1.(2012-2013):

### **All Hospitals**

All South West LHIN hospitals agree to re-engage in an integrated supply chain process with the intent of improving efficiencies and achieving resource savings with the goal of having a business proposal in place by the end of the 3<sup>rd</sup> quarter, December 2012.

All South West LHIN hospitals agree to proactively participate in ongoing planning discussions with respect to health system funding reform and the South West LHIN's Integrated Health Service Plan 2013-16.

All South West LHIN hospitals agree to annually review and update site specific programs and services information, as represented within the Healthline.ca website.

### **Performance Management Teams**

Cancer: LHSC, GBHS, SGH, STEGH, WGH, SMGH, Hanover, TDMH

H&K: LHSC, GBHS, SGH, STEGH, WGH, SMGH

As related to the performance improvement work occurring in the South West LHIN, your hospital will continue to participate in established groups such as the Cancer and Hip and Knee Performance Management Teams (PMT). 90<sup>th</sup> percentile performance (closed cases), open case performance and other metrics, as established between the LHIN and hospital partners will be monitored. Improvement expectations will be established through on-going dialogue and action plans articulated through performance improvement plans or other means of communication.

For Hips and Knees PMT, a weighted scoring methodology will be utilized to rank hospital performance with the opportunity for additional investment, if available.

Total Funding					(Note2)		

Funding provided in this Schedule is an additional in-year allocation contemplated by section 5.3 of the Agreement

Note 1 - Terms and conditions of PCOP funding are determined by the Ministry of Health and Long Term care (MOHLTC). Incremental volumes required to be achieved by the Hospital as set out above are in addition to PCOP volumes provided in previous years. The MOHLTC may adjust funded volumes upon reconcilation.

Note 2 - This amount must be the same as PCOP (Operating Base Funding) on Schedule C (2012 - 2013).

Once negotiated, an amendment (Schedule F1 (2012 - 2013) will be made under section 15.3 of the Agreement to include these targets and any additional conditions not otherwise set out in any other Schedule.
